Aussie Soles Group Inc (OBB : AUSE)

About Aussie Soles™:

Aussie Soles™ develops and retails innovative hard sole casual footwear that utilizes technically advanced closed cell polymer foam, "AUSLITE™" which is soft, supportive, slip resistant and anti bacterial! The "closed cell polymer" footwear phenomenon has exploded onto the sporting apparel markets. Aussie Soles™ has improved on this product by introducing its own hard sole (AUSLITE™) footwear, which sets itself above industry leaders, in the "closed cell Polymer" footwear market. Aussie Soles™ hard sole concept is available in a variety of colors and styles to ensure that every person will find a pair that is perfectly suited for them. Constructed from closed cell foam, AUSLITE™, molds to the foot allowing for the ultimate in comfort that is also chemical and odor resistant

The Primary footwear lines consists of, SnUggs™, STARFISH™ and MARINE™. The versatility, comfort and unique qualities of Aussie Soles™ is popular in a wide range of consumer choices, appealing to boaters, hikers, campers, gardeners beach walkers, doctors, nurses and other health care workers.

Relax Ya Feet!
